Subject: RE: Wood Heating Certification Test Meeting - Tentative date

November dates appear to work for Northeast crew with a slight preference for 11/7. December dates conflict with a previously scheduled regional meeting that can't be moved – sorry!

Importance: High

Lisa,

Thank you for your reply.

It appears that neither Oct 31 nor November 20 will work for this group.

Would folks please check the following dates:

November 6th
November 7th
December 4th
December 5th

Thank you very much,

Stef

Unfortunately, the 10/31 date does not work for the Northeast folks, meetings already on the books for key participants. The 20th is the only doable date for us.

John, Bob and Lisa,

I have a tentative date of Thursday, October 31 for the initial meeting, here in RTP.

Does this date work for you folks?

Next available date is Wednesday, November 20th.

Stef
